Snowmobile Clubs are an important part of a great Wisconsin tradition. Wisconsin's vast array of trails is maintained by club memberships and supported by registration and trail pass fees collected by the state. Are you a snowmobile enthusiast looking to join a new club? LCLC is looking for members to help grow and become a successful club in Waukesha County.

### Benefits

- Join fellow snowmobiling enthusiasts and support the local snowmobile trails in Waukesha County
- Gain membership to the Association of Wisconsin Snowmobile Clubs (AWSC) with a Wisconsin Snowmobile News magazine subscription
- Discounted State Trail Passes by being a Club Member

### Club Meetings

As we have membership throughout Waukesha County, Club meetings are held monthly Sept-March at different locations each month. Please visit our Facebook page for meeting updates.
